Why Do We Memorize Scripture?

Scripture memorization provides a basis for meditation on God's Word (Psalm 119:15-16, 97). Such meditation means to keep our minds determinedly fixed on Scripture. Memorization and our constant meditation on it has a purifying effect on our lives as it renews our minds, transforms our thoughts, and alters our conduct (Joshua 1:8; Psalm 1:2-3).

"O how I love Your law! It is my meditation all the day." (Psalm 119:97)
