

## MAKING YOUR HOME HIS CASTLE

Proverbs 14:1

“The wise woman builds her house, but with her own hands the foolish one tears hers down.”

Ask him his preferences on these issues:

His definition of a “clean” house?

What chores around the house would take priority?

What things make a home “comfy?”

What colors are his preference for particular rooms?

On which household decisions would he want you to seek his input and which do you have freedom to decide yourself?

Who will be in charge of keeping the budget? Do you need to run purchases by him first?

What are his expectations for the types of meals and schedule of meals?

What are his dietary restrictions and preferences?

Does he prefer you both go to bed at the same time? Is he a night-owl or early-bird?

Can he handle a little chaos and clutter or does he want all things organized and tidy?

Would he prefer you pack him a lunch each day or does he like to eat out during the day?

Is he okay with paper products or does he like real plates, etc. for his meals?

You get the idea . . .
